ABOUT TWINCON

TWINCON ENTERPRISES LTD. in Penticton specializes in civil earthworks, excavation, and rock breaking, drilling, and blasting, and subdivision development. TWINCON holds itself to the highest standards in both the quality of work produced for its clients and the community and the maintenance of a safe and healthy work environment for its employees on all job sites. We are one of the fastest growing companies in the South Okanagan, offering 15 years of experience and an extensive inventory of heavy equipment to match both large and small contracts. We are proud of our professional reputation for high quality work and safety orientation.

TwinCon is committed to providing an exceptional place of work for our employees. We believe that you should enjoy where you work and feel as though you have purpose and direction. We offer a full benefits package and encourage the growth and development of our staff. With several projects currently underway in the South Okanagan, we are looking for **Experienced Skilled Labourers** to join our team. For this role, you will have previous experience in civil construction providing physical labour support on the job site during all phases of the project.

Responsibilities:

- Assisting the Site Superintendent, Equipment Operators, and other job site crew members with all tasks and assigned duties
- Providing physical labour support on the job site during all phases of the project
- Operating equipment such as pneumatic hammers, vibrators, tampers and skid steer when needed
- Executing traffic control plans and direct traffic and equipment when necessary
- Cleaning and preparing construction sites as needed, including removing and properly disposing of debris and waste materials, and digging trenches
- Maintain a safe and clean job site by handling materials and storing them properly, picking up and removing all tools and equipment when not in use, and securing the job site on a daily basis
- Load and unload construction supplies from trucks both manually and with the use of equipment

Qualifications:

- Have previous experience as a skilled labourer in the civil construction industry
- Have a valid driver's license and reliable transportation to and from work
- Be punctual, reliable, and hardworking
- Have a proven safety track record
- Be willing to work extended hours (as needed)

Interested applicants are invited to submit their resumes to hr@twincon.ca.
