

## **Experienced Surveyor - Minimum 3 Years Experience in Civil Construction**

**TWINCON ENTERPRISES LTD.** in Penticton specializes in civil earthworks, excavation and rock breaking, drilling and blasting, and subdivision development. We are one of the fastest growing companies in the South Okanagan, offering 15 years of experience and an extensive inventory of heavy equipment to match both large and small contracts. We are proud of our professional reputation for high quality work and safety orientation.

With several projects currently underway in the South Okanagan, we are looking for **Experienced Surveyors** to join our team. For this role, you will have a minimum of 5 years experience in civil construction. Reporting to the Site Superintendent, the Surveyor will provide construction layout data as requested, including all required for accurate measurement and correct installation and support of materials by crafts. The Surveyor has working knowledge of GPS, GIS, Total Station, Levels, Machine Control, and is familiar with CAD software, and take-offs.

Responsibilities include:

- File Management
- Document & Cad Review, Drawings, Stationing, Elevation
- Equipment Use, GPS, Total Station, Optical Levels, Laser Levels
- Site Set-Up, Calibration, Set Controls, Bench Marks, Monitoring Points
- Layout, Staking, Offsets, Topo, As-Builts, Gridlines, Blasting Patterns
- Volumes, Stockpiles, Load Count Verification
- Auto-Cad, Build- Surfaces, Corridors, XML's, DXF's, CSV Files
- Reports- Earthworks Reports, 3d-Modeling, Overview Drawings
- Project Completion, Redlines, Data Handover
- Machine Control, Calibration, Adjustments on Off-sets, Wear on Blades, Buckets
- Communicate- Management, Superintendents, Engineers, Blasting, and Sub-trades
- Equipment Inventory List, Maintained & Calibrated

To set yourself up for success in this role, you will already have:

- A minimum of 3 years experience in civil construction
- Ability to recognize problem situations, evaluate, and produce workable solutions to a successful completion
- Have a valid driver's license and reliable transportation to and from work
- Be punctual, reliable, and hardworking
- Be willing to work extended hours (as needed)
